

Departament de llengües estrangeres

The English department recommends all students to practice English as much as possible during these summer holidays. Here you have some options to do this:

- **READING**

Go to the library in your neighborhood or to the Central Library (<https://aoberta.terrassa.cat/oficines/infoEntitat.jsp?id=10132>) and choose a **BOOK** or a **MAGAZINE** to read,

- **LISTENING**

Watch any TV series in English or some films in English. You can select the language in your TV or DVD and activate subtitles in your language.

Listen to music and read the lyrics. www.lyricstraining.com

- **WRITING**

Write a **DIARY** about your holidays, no matter where you spend them (in Terrassa, in a village...) You can include photographs or drawings to illustrate them. You can do it in paper or in a computer programme.

Or you can write a piece of **NEWS** about something that happened during your holidays. The best news will go to **NICONEWS**. Try to answer the following questions: What happened? With whom? Where were you?

- **PC OR SMARTPHONE APPS (Duolingo, Web Macmillan)**

ENJOY YOUR SUMMER!
